**Genestra HMF® (Human Microflora) Probiotics offer:**

- Clinically studied, proprietary strains
- Doctor-recommended for over 20 years
- Research-driven, condition-specific formulas
- Potency guaranteed through expiration

**Recommended Dose: Adolescents and Children (4 years and older):** In a glass, add 1 heaped scoop to water or juice and dissolve completely before administration to children. Take once daily, at least 2 to 3 hours before or after taking antibiotics, or as recommended by your healthcare practitioner. **Immune Support:** Take for a minimum of 4 weeks to see beneficial effects. **Risk Information:** Do not use if you have an immune-compromised condition. Consult your healthcare practitioner prior to use if you have nausea, fever, vomiting, bloody diarrhoea or severe abdominal pain. Stop use and consult your healthcare practitioner if symptoms of digestive upset occur, worsen or persist beyond 3 days. Consult your healthcare practitioner if symptoms persist or worsen. **Keep out of the reach of children.** This product was sealed for your protection. Do not use if box or contents are open or damaged. Store under refrigeration (below 8 °C).
